E: biswas.nandamuri@gmail.com

Career Objective:

Looking forward to associating myself with an organization where there is an opportunity to learn, contribute and upgrade my creative and innovative skills for the development of the organization and myself.

Employment:

Software Developer *July 2019 – Present*
Brimbank City Council (www.brimbank.vic.gov.au)

- Designed and developed a full stack web application to automate the M1 process of establishing a data synchronisation between state and council using Python's Flask (Backend API), Pandas (Data Analytics) and JavaScript's React (Frontend) stack.
- Worked on extending features in Pitney Bowes SSA application written using Angular (v6) and Java.

Academic Tutor *Aug 2018 – July 2019*
La Trobe University (www.latrobe.edu.au)

- Tutored and Mentored undergraduate and postgraduate students with practical lab work, assignments and course projects involving subjects like C, Python, Angular and Java.

Skills:

- **Programming Languages:** C, C#, Python, JavaScript, Java, Go, PHP, Rust
- **Tools:** Git (GitHub and Bitbucket), Visual Studio, VS Code, Jupyter, PHPStorm
- **Database:** (SQL) MySQL, PostgreSQL, (No-SQL) MongoDB
- **Technologies:** REST/GraphQL, Angular/React, Django, Laravel, Bootstrap/Bulma
- **Operating Systems:** Ubuntu, Arch Linux, Windows, MacOS
- **Graphics Design:** Photoshop, Illustrator, Adobe XD, InVison

Projects:

Personal Website: www.biswas.coffee (for additional information)

Mediterranean Archaeology – Major Project (Masters)

- Extracted data from a 800 pages book using Re (Regular Expressions) and Pdfminer library
- Stored data in PostgreSQL using SQLAlchemy library
- Developed a Django (REST API) - Angular Js (Single Page) application to perform CRUD operations on the extracted data.
- *Used: Python, Django, PostgreSQL, Angular JS, SASS, Bulma*
- *Documentation: https://docs.biswas.coffee/Mediterranean-Archaeology.pdf*

M1 Automator – (Brimbank City Council)

- Compared over 100 Thousand local and state government records, established a data synchronisation (M1 Process) using Python's Pandas library
- Created a Flask (Python) – React JS based dashboard application to view the synchronisation statistics and export reports.
- *Used: Python, Flask, Pandas, MySQL, React JS, SASS, Bootstrap*

BiswaCoin (https://github.com/Biswas-N/BiswaCoin)

- Implemented Blockchain's "Proof of Work" concept using JavaScript
- Built a console-based desktop application using JavaScript's Encryption and string library
- *Used: JavaScript*

My Portfolio – (www.biswas.coffee)

- Build my portfolio using Angular - Bulma CSS to showcase my skills and previous works.
- Used Netlify as a hosting service and created a DevOps pipeline by integrating GitHub with Netlify for Continuous Deployment.
- *Used: Angular, TypeScript, Bulma, Netlify*

Sound based fire extinguisher – Major Project (Bachelors)

- Build an Arduino based circuit, which emits low frequency waves creating resonance with oxygen molecules pushing away the air from fire.
- *Used: Arduino Micro-controller*

Golang-Spotify Adapter (InProgress)

- Golang based console application to consume Spotify's Api. Involves bearer token auth system, accessing authorised user's music and podcast library.
- *Used: Golang, Gin Framework*

Education:

Master of Information and communication Technology *Feb 2017 - Dec 2018*
Latrobe university
Melbourne, Australia
Subjects included: Software Design Methodologies, Networking and Web Development

Bachelor of Electronics and Instrumentation Technology *Feb 2012 - May 2016*
VNR Vignana Jyothi Institute of Engineering and Technology
Hyderabad, India
Subjects included: Signals and Sensors, Automation, Robotics and Analytical Instrumentation

Awards and Achievements:

- Cisco certified Network Associate (given by Cisco Systems - 2018)
- Best major project (VNR Vignana Jyothi Institute of Engineering and Technology)

References:

- Dr Scott Mann (s.mann@latrobe.edu.au) and Dr Richard Skarbez (r.skarbez@latrobe.edu.au)
    - Senior Lecturers (CS Department) at La Trobe University
- Bright Osagiede (brighto@brimbank.vic.gov.au)
    - Asset and Spatial Information Coordinator (GIS) at Brimbank City Council
